

**Purpose of Directory: To provide a resource that facilitates support of businesses that benefit Holy Trinity parishioners.**

**Welcome** to this valuable resource that was established in 2004. We hope it provides you with parishioner options to contact for your personal and/or professional needs. The business directory is published annually as part of the Parish Guide Book & Directory, which is provided free of charge to all 2700+ parish families. In addition, new/updated listings (along with Business Descriptions) are maintained at our online version ([www.jme-services.org/HTBD](http://www.jme-services.org/HTBD)), which you can also access via the Holy Trinity web site ([www.htlenexa.org](http://www.htlenexa.org) in the lower right corner or under the 'Resources' tab).

All parishioners are invited to be listed -- you never know who or what might be needed by someone in the parish! If you wish to be a part of this resource, you can download an enrollment form from the web site. A \$20 annual fee per listing/category covers the cost of maintaining the web site and periodic printing of hard copies to be located in the church gathering area and parish office. Email us at [htbizdirectory@yahoo.com](mailto:htbizdirectory@yahoo.com) with any questions or suggestions on how to make this resource even better. Thank You!
